Contact Tracing Sign In

Event: Date:

I certify that I do not have a fever or other symptoms; I have not travelled outside Canada in the last 14 days; and I do not cohabitate with someone who is symptomatic.

Privacy Notice: This information is collected solely for the purpose of contact tracing in the event of infection. It will only be used to contact other attendees of this gathering in the case that an infection is discovered in the 14-day period following this gathering. This information is collected by the local Seneschal, who will retain the records for three months and then destroy them. Copies will also be forwarded to the Kingdom Seneschal who will retain them for up to six months before destroying them.
