Hello Seneschals!

There has been some question as to who should/can complete a background check. I have determined that to be background checked beyond those that hold youth marshal/youth officer positions and kingdom offices, individuals will need to be sponsored by a canton, shire or barony. If a group holding an event believes they will need staff to have their background check completed then the seneschal of that group can email me with the individual's email understanding the group will be responsible for covering the cost which is \$17.00 USD. Given that we do have 20+ individuals in Ealdormere available to assist you, I anticipate that this need will be minimal.

I want remind everyone that Youth Only activities require someone with a passed background check to be involved. Other activities that welcome youth to participate but are not youth only activities do not need someone with a background check in attendance. As well, we will continue to use the two deep rule in all Youth Only activities.

I will be posting a list of individuals with completed background checks on the Ealdormere website this weekend. I am also creating a mailing list. If you are looking for someone to help, send me an email and I will forward it to the list for you.

Please note: background checks are mandatory for anyone who becomes a youth marshal, youth officer, participants in the youth rapier program, or becomes a member of the Privy Council. The kingdom will cover the cost of the mandatory background checks.

If you have any questions, feel free to contact me!

Jocca
